President's Day

Monday, February 17, 2020

Ahh, the New Year! Nothing quite puts you in the “fresh start” spirit than the beginning of a New Year. We want to help you check off those resolutions and bucket list items you’ve been dreaming about. A wedding, debt consolidation, home improvements, an epic vacation top many people’s lists. Start off by writing down your goals. Vividly describing your goals in written form is strongly associated with goal success, and people who very vividly describe or picture their goals are anywhere from 1.2 to 1.4 times more

likely to successfully accomplish their goals than people who don’t. (Mark Murphy, CEO of Leadership IQ). Our 2020 Goals Loan offers a low, competitive rate with amounts and terms to fit your needs and can help you achieve some of those goals you want to make a reality. This loan offer expires on Valentine’s Day!

Keep your **CARD SAFE AT GAS PUMPS & ATMS**

- Choose gas pumps closest to and within sight of cashiers.
- Use ATMs in well-lit, secure locations. Avoid stand-alone ATMs in corners of stores or out-of-the-way areas.
- Look at the card reader slot and surrounding area for anything that looks out of place, mismatched, or lose.
- Make sure no one is watching you enter your PIN, or filming you on a cell phone.

Visa Credit Cards

Our Visa Platinum Cards offer low rate or a great rate plus reward. Ask us about a balance transfer special. This is the card you want as your primary card.

Top Do's and Don'ts FOR PERSONAL LOANS

1. Do use it to consolidate debt. Put all high-interest credit card debt and payday loans into one loan with a fixed rate, a fixed monthly payment, and a closed-end term. You'll save money and make debt management a lot simpler. Be sure to close any credit cards you pay of so you don't rack up another large bill.
2. Do use it to finance renovations on your home. Be smart about your renovations, though, and only choose those that will increase your home's value.
3. Do use it for moving expenses. Whether you're moving cross-country for a job opportunity or another reason, a personal loan can help pay to transport your car, to move your belongings, and to buy furniture for your new residence.
4. Do use it to pay for large, unexpected expenses, like a funeral or adoption costs.
5. Do use it to foot medical bills, especially for things that are not covered by most insurances such as fertility treatments, large dental treatments and cosmetic surgery.
6. Don't use it to pay for everyday expenses. If you find yourself doing this, you may be in financial trouble. Speak to a GHS Federal credit union representative for help with debt management and general guidance.
7. Do use it to purchase a car, boat, or RV.
8. Do use it to take a dream vacation. Don't do it twice a year, but a personal loan can help you finance your trip for a milestone anniversary or another special occasion that warrants extravagant vacation.
9. Do use it to pay for a wedding. A personal loan will give you more flexibility than a wedding loan.
