Digital Wallets are here at 1st Street Credit Union

With a smartphone digital wallet, shopping can be safer and easier than paying with cash, checks, or credit cards. Apple Pay, Google Pay and Samsung Pay connect to your 1st Street Credit Union credit and debit card accounts, so you can get in and out of the store quickly.

Using your digital wallet online is even better. With participating merchants, checkout is as simple as tapping the Apple Pay or Google Pay icon and confirming your 1st Street Credit Union credit or debit card as your preferred payment method.

Either way, your account is safe. **The merchant never receives your account information, as it's encrypted.** Digital wallets are an easier and safer way to pay.

1st Street Credit Union is an Equal
Housing and Equal Opportunity Lender.

Your savings federally insured to at least \$250,000 and backed by the full faith and credit of the United States Government. NCUA a U.S. Government Agency.

CO-OP Shared Branch and CO-OP ATM Networks

Reasons we think shared branching is great:

1. Shared branching is convenient. With all you have to do, adding more minutes of driving time isn't an option. Shared branching eliminates your need to drive to your credit union's locations by allowing you access to over 5,600 shared branches all over the United States. So even if you're on the road or moving to a new place, you'll never be far from your money.
2. Shared branching is personal. You may not want to do all your banking on your phone or at an ATM. With shared branching, you can talk to tellers at your nearest shared branch and get the real, in-person service that credit unions do best. You can even make loan payments and transfer funds from one account to another!
3. Shared branching works with ATMs too! With shared branching, you'll never have to worry about ATM fees again. Additionally, we are part of the CO-OP ATM network. It gives you access to 30,000 FREE ATMs all over the country. You can even use any ATM at 7-Eleven®, Costco®, and Walgreens stores that have the CO-OP ATM logo.

Look for the CO-OP Shared Branch and CO-OP ATM Logos Wherever You Go!
