HAVE YOU CHECKED YOUR ACCOUNT LATELY?

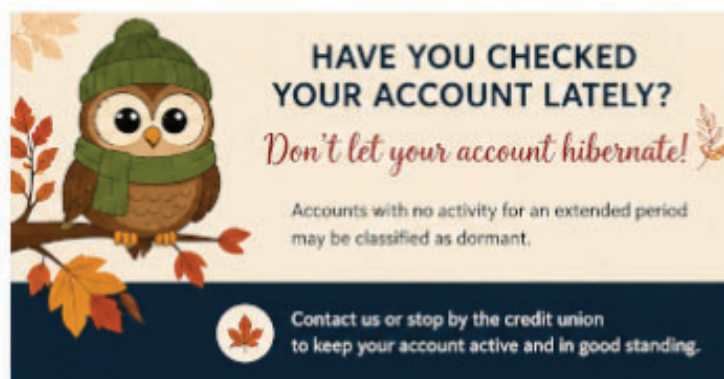

A friendly reminder about dormant accounts. Life gets busy, and sometimes an account can go unused for a while. If you have an account that hasn't had activity for an extended period, it may eventually be classified as **dormant** under our account policies.

We encourage all members to take a moment to review their accounts and make sure everything is up to date.

If you have a dormant or inactive account, please contact us or stop by the credit union. We'd be happy to help you understand your account status and what steps may be needed.

Don't let your account get lost in the shuffle! Have questions? We're here to help.

After 12 months of no activity a fee may be assessed.
