Social Networking Security

If you use Facebook, MySpace, LinkedIn, or any Social Networking Community website, you may want to take a closer look at your privacy settings. The US-CERT, (United States Computer Emergency Readiness Team), offers some good tips on staying safe on social network sites. Among the important tips is simply recognizing that information you post on the web for your friends to read may be open for the world to read.

Protecting What Matters Most

We know that when it comes to the important things in your life, you are willing to protect them at all costs. We feel the same way when it comes to your information, your accounts, your identity, and most importantly, your money.

USE YOUR DEBIT CARD for a chance to win an **IPAD MINI!**

One (1) Prize Winner will be selected on or about December 7, 2015 by a random drawing from all qualified entries received by a participating credit union between October 1, 2015 and November 30, 2015. Each time an eligible member uses their Debit Card with their signature during the contest period they will be entered in the contest allowing for multiple entries. PIN-based transactions will not be entered in the contest. See your credit union for complete details, including contest rules, restrictions and alternate method of entry. Void where prohibited by law.

Your Debit Card is...

- Simple to use and more widely accepted than checks
- Easier to qualify, because you use your own money
- Safe - No need to carry a lot of cash or a checkbook

Every Time You Use your debit card with a signature you will be entered for a chance to win an Apple® iPad® Mini
